

UNITED FLYER September 2018.

UNITED UNBROKEN CAP SHOW

The UBC show held last Saturday 13th October was a great show, 20 exhibitors entered 160 birds, there were enough birds in each section for points, and a really enjoyable day was had by all in attendance. It was the second time we had the late start and the extra couple of hours sleep in was appreciated.

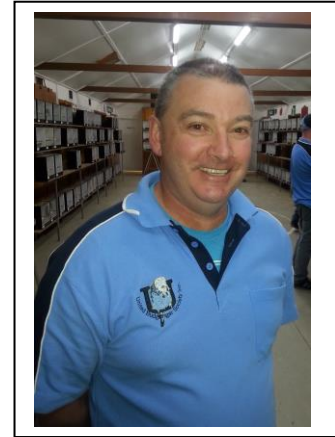

Congratulations to all winners, especially Derrin Ray of Ray & German partnership, winning the Best in Show with a Blue.

The Club Fishing trip joke. Names changed for obvious reasons.

Four men go camping. No one wants to stay with Bob, because he snores so badly. They decide it isn't fair to make one of them stay with him the whole time, so they vote to take turns.

The first guy sleeps in the same tent as Bob and comes to breakfast the next morning with his hair a mess and his eyes all bloodshot.

"Man, what happened to you?" they ask. "Bob snored so loudly, I just sat up and watched him all night," he replied

The next night it's a different man's turn. In the morning the same thing happens - all his hair is standing up; his eyes are bloodshot. "Man, what happened to you? You look awful!" they ask. "Man, that Bob really snores like a train, I sat watching him all night," he replies.

The third night it's Fred's turn. The next morning, he comes to breakfast bright eyed and bushy-tailed. "Good morning!" he says cheerfully.

They can't believe it. "Man, what happened?" they ask surprised. "Well, we got ready for bed, I went and tucked Bob into bed, patted him on the butt and kissed him good night," he explains. "Bob sat up and watched me all night."
