## **A request for members to consider at future events.**

At the end of these shows, the cleanup is always a pain in the butt for everyone, as it's a long day and everyone wants to get home.

Unfortunately we set a bad example on Sunday. The club had to supply the names of 3 volunteers to stay back & clean up.

One of those volunteers was a senior member who spent an hour on the vacuum cleaner in the hall before he could drive home to and put his bird away.

Maybe we should all think about how we can do our bit and not let this happen again.

## ***At the AGM last month, we were unable to get a Treasurer;***

Adrian Praeger has since volunteered to take on this job. Thank you, Adrian, for joining the committee.

As well as keeping an eye on the financials, as part of this role, Adrian will be doing the ring orders, so please help him to do his job easily and get the orders in on time.

It's a lot of work, and Adrian has a busy schedule with a young family and working as a surgeon.

## **Welcome new members.**

---

The committee would like to welcome new member **James Nguyen**. We hope that you find the club welcoming and that you enjoy being part of our club.

Don't be afraid to ask for help, all of our experienced members are here to assist.

## **2021 Membership & Ring Orders: URGENT REMINDER**

For those members that have not ordered Coded Rings OR paid their 2021 Membership, **(There are still quite a few members)** this is a reminder that the Club & BCV Memberships are for the Calendar year, the same as the ring issue, *and that members need to be financial to show your birds at any BCV sanctioned show.*

So, if you have not ordered your 2021 rings yet and want them in early 2021, now is the time to get your order in with your membership. **Forms available on website.**

## 2022 Membership & Coded Ring Orders:

It's that time again. Members that wish to order CODED rings for 2022 (which they will receive 1<sup>st</sup> January 2022) have to have their forms in by the **31<sup>st</sup> of MARCH**

The membership & ring order forms and instructions are available on the club website & can be filled in online, saved and sent to the club's email address along with a bank transfer and copy of payment.

**Explainer for new Members.** As the rings are made in Europe nearly 8/10 months before delivery in December. Even if you have recently paid for 2021 membership if you want a ring code in 2022 you will need to pay a 2022 membership now to come into line with established members (because at some point you need to pay 2 years in one to catch up and secure a code).

Forms sent in after the **31<sup>st</sup> of MARCH** will miss out on getting coded rings, so don't be late.

A copy of the file in printable or fillable PDF format will be sent to members as a separate file.

The club no longer has a P.O. Box.

This will ensure that the committee will receive and respond to any correspondence.

## **ON-LINE Sales**

The online sales for club members has been running well, **thanks to Steve Bradley's hard work.**

Several members have sold their birds at very reasonable prices and contributed to the clubs running expenses, whilst paying for some seed for their own birds,

Please support this when we get it running again, after lockdown, as the club needs to raise a few funds with no auction income this year, whilst helping members sell birds.

A separate notice for this was sent to members with all of the logistical information.

## Help comes in all forms:

Thank you to once again to **Ray Howard** for donating the cleaned Cuttlefish, This has been a good constant fund raiser for the last couple of years. Plus **Michael Searl** for jumping in & learning to assist running the show entries on the computer.
